

# THE EPISCOPAL CHURCH OF SAINT JOHN THE BAPTIST

1000 Bethune Drive, Orlando, Florida 32805

---

Dear St. John's Family,

On April 18, 2026, we will reach a sacred milestone: the **130th Anniversary** of The Episcopal Church of St. John the Baptist. For 130 years, this church has been a spiritual bedrock where generations have been strengthened by God's love.

As we prepare to honor this legacy, we are thrilled to announce that our celebration will feature two extraordinary voices for our Homecoming Weekend:

- **Anniversary Prayer Breakfast (Saturday, April 18th):** Our keynote speaker will be **Dr. LaVon Wright Bracy**, advocate for civil rights and education and co-founder of New Covenant Baptist Church, whose life's work embodies the courage and faith we celebrate.
- **130th Homecoming Service (Sunday, April 19th):** We are honored to welcome the **Rev. Dr. Otis Moss III**, Senior Pastor of Trinity United Church of Christ in Chicago, as our guest preacher. Dr. Moss is a visionary leader and renowned preacher and teacher who will help us launch our next phase of ministry.

## Securing Our Future: The Renewal Fund & Each One, Bring One

To prepare for this moment, the Vestry has established the **130th Anniversary Renewal Fund**. This fund allows us to modernize our fellowship hall and kitchen for expanded hospitality, preserve our historic sanctuary, and launch new outreach ministries.

Additionally, we are inviting every active member to take part in our "Each One, Bring One" commitment, reconnecting with one person who has drifted away or inviting one new person into parish life.

## The Souvenir Journal

We are also creating a commemorative journal to document our 130-year journey. We invite you to share your family's legacy by placing an ad or message. **Please see the attached "Partnership Levels" sheet for details on giving levels and ad specifications.** Together, we will honor our history, celebrate our faith, and prepare the way for the next generation.

With gratitude and hope,

130th Anniversary Steering Committee
